Dear Mr.Lipovski, dear Mr.Tzokev,

I am writing to express my interest in conducting my practice at Telelink Business Services. I would like to continue my education and professional path in the sphere of cyber security and I know that you can help me to start my journey.

My passion for cyber security started this year at HackTUES 9, because this year the topic was security and it opened my eyes that this sphere would be very interesting to continue my education in. It will be a pleasure to meet with you and learn from you, because I know that I will obtain a lot of knowledge from you. I have been part of HackTUES 9 and TUES Fest 2023's volunteer organizational team, which helped me develop my soft skills and persistence, key qualities to obtaining new skills and knowledge.

To sum up, I think that it would be a wonderful opportunity for me if I could be part of your company and I promise that I will be full of enthusiasm, hardwork and curiosity.

Sincerely,

Angel Nikolov
